

## Research Internship Vacancy

**Positions: 1**

**Location: Kathmandu**

We are seeking motivated Research Interns to assist in conducting field surveys, managing data related to an assignment to understand the demand side of Nepal's Tourism Sector. This is a short-term, task-specific internship for 2 months, offering an excellent opportunity to gain hands-on experience in first-hand data collection and research.

### Key Responsibilities:

- Undertake field surveys, which will require travel within the valley and outside.
- Implement qualitative and quantitative research tools to study and analyze primary and secondary data.
- Conduct primary surveys across the tourism value chain including, travelers, locals and businesses in specific areas, and hotel owners.
- Manage, clean, and organize data for analysis.
- Assist in designing and developing survey instruments using tools such as SurveyCTO.

### Qualifications and Skills:

- Should have the capability to build survey instruments using software such as SurveyCTO.
- Should have strong competencies in managing and interpreting data; specifically using Excel, SPSS, and Stata
- Should be willing to travel within Nepal to undertake survey assignments.
- Previous experience in building and undertaking survey research assignments with knowledge and proven experience in the application of qualitative and quantitative tools.
- Fresh graduates or candidates who have completed at least 2 years of their Bachelor's program are encouraged to apply.

**Duration:** 2 months.

If you are detail-oriented, proactive, and eager to learn, we encourage you to apply for this exciting opportunity to contribute to impactful research.

Interested candidates can write to [shreeya.rana@pei.center](mailto:shreeya.rana@pei.center) with the subject line: Application for Research internship, by 6th January 2025. **Only shortlisted candidates will be contacted for an interview.** This post is for immediate hiring.

PEI offers a competitive salary and benefits package. PEI is an equal-opportunity employer and encourages women, members of marginalized communities, and disadvantaged groups to apply.
